# Annual Report of the town of **ROXBURY** New Hampshire

FOR THE YEAR ENDING  
DECEMBER, 31 2002

The 200 year old Charles Holman house, begun in 1803, finished in 1804.

Charles Holman and his wife Relief built a cabin close to the present house about 1789, and started building the house in 1803 after their tenth child was born. Two stenciled boards with the date 1803 have been found in the lower part of the house and a beam with a carved "C.H. 1804" in the attic. The house has been owned by the Dawes/Gilcreast family since 1912. Photograph by Dick Gilcreast.

**Article 24:** To see if the Town will vote to raise and appropriate the sum of **\$2,000.00** to establish a **Capitol Reserve Fund for a new Tax Map** and to continue to designate the Selectmen as agents of this fund.

**Article 25:** Shall the Town vote to accept the provisions of **RSA 31:95-b** providing that until specific rescission of such authority, the selectmen may apply, accept and expend without further action by the Town meeting, unanticipated funds from State, Federal, or other sources which become available during the fiscal year? This authorization will remain in effect until rescinded by a vote of the municipal meeting.

**Article 26:** To see if the Town supports the concept that everyone, including the self-employed, unemployed, un- and underinsured, has access to an affordable basic health plan similar to what federal employees receive and that everyone, including employers, consumers, and the state, local and federal government makes a responsible and fair contribution to finance the health care system. This is a petitioned article and is supported by the Selectmen.

**Article 27:** To transact any other business which may come before the said meeting.

Given under our hands and seal, this **24<sup>th</sup> day of February**, in the year of our Lord, **two thousand and three**.

## The Roxbury Cemeteries

William Parker was born in Boston in 1755; 22 years later, he enlisted and became part of the Revolutionary War effort. His monthly "salary" was \$6.66. Most notably, he stayed alive to endure and survive the hardships of Valley Forge. When he returned home, he married, fathered two sons and, at some point, moved to New Hampshire. He lived on what was known as Parker Road, off Woodward Pond Road to the east. Parker Hill is behind the original site of the Parker home. He was 87 years old when he died in 1842. His wife, Mary, died in 1830. The Homestead was eventually sold to Rueben Phillips by William Parker, Jr.

In 1777, there were approximately 18,000 men of fighting age in New Hampshire. The 1st, 2nd and 3rd New Hampshire Regiments consisted of between 1000 and 2500 men, and they probably fought the hardest and longest. The 1st NH Regiment served continuously for a period of 8 years and 8 months - the longest of any Revolutionary Regiment. Men not at Valley Forge were engaged in highly successful (and dangerous) privateering. When all was said and done, New Hampshire was the only state of the original 13 not invaded by British forces during the Revolution.

As mentioned in last year's report, the Roxbury cemeteries contain a good deal of "history" and it is our combined responsibility to preserve them in the best possible manner. In the Spring, Jay Blanchard from The Keene Monument Company will assess the restoration needed so we will have a better idea of what can be done to repair or rebuild the stone monuments in our cemetery. We will also begin making a list (and doing a little research) of the NH Veterans buried in our cemeteries. Again, we thank Steven Yardley for the maintenance of the cemetery grounds. In June, he will continue with his efforts to spread loam and level out some of the sunken areas.

The Cemetery Trust funds continue to be invested with the Bank of New Hampshire and MBIA - the NH Public Investment Pool. The combined Kingsbury, Davis (2), Nye, Clark, Eveleth, Philips and Roxbury Cemetery funds, now in individual CD's with the Bank of NH, earned an interest total of \$12.26 from May to December, 2002.

There are three Capital Reserve Funds with MBIA: Roads, Re-Value and Fire, ATV. These accounts earned \$127.19, \$29.59 and \$31.56 respectively, for a total of \$402.09 for the year. The MBIA accounts include the Cemetery Trust and the Robert Pyne Trust. The Cemetery trust earned a total of \$35.79 during 2002 and the Pyne Trust earned \$177.46 for the year. Other funds held by the Town in the Bank of NH "Pool Plus" (see below) are for a Police cruiser, the Fire Dept. ATV., 18 Roads, Re-evaluation and a town tax map. The appropriate forms, as required by the State of NH, were reviewed by our Town Auditor, Karen Cota and mailed to the Attorney General's Office by the March 1st deadline.

The Roxbury Cemeteries  
Report of the Sexton

I would like to thank the Russell family (many members from out of town) for helping to cut and pile brush at the cemetery. A great deal of work was accomplished because of their goodwill. It wasn't something I'd planned. The day I went to the cemetery to cut brush, the Russells appeared. They had planned the work bee on their own, knowing the cemetery needed work. We recognize and are grateful for their care and attention to our cemeteries. Should you see them, take the time to say "Thank You". Their efforts made for an enjoyable day and I appreciated their hard work.

I also want to thank Tim Mason, Ben White and Neil Daniels for the follow-up of this detail. Later in the Spring, these good folks helped me burn the brush piles which remained after the Russell workday. We are fortunate to have good neighbors willing to pitch in when needed. Thank you all.

Respectfully,

Steven Yardley

## **.School Board Report**

### **Monadnock Regional School District**

**Fiscal Year 2003-2004**

#### **Highlights and Milestones**

The Monadnock Regional School District (MRSD) has had an exceptional year during my first term of service. From an academic standpoint, the District has made significant progress in curriculum development, faculty performance assessment and breaking new ground in tapping educational resources and developing new learning opportunities.

From a financial standpoint, we should be proud of our District's educators and administrators. Working together, we have operated this past year under the constraints of \$1,193,517 in budget cuts. Further, we have eliminated a one million dollar budget deficit (\$954,893 since June 30, 2002) that threatened the financial integrity of our schools. Now, moving forward we are a district operating in the black, with virtually no debt. This notable achievement has been so complete that we have changed our mission as a Board from one of attaining financial integrity to one that can now focus on striving to achieve the best possible education for our children.

Another exceptional achievement this past year is the granting of a \$10.8 million "No Child Left Behind" grant from the federal government to the MRSD which will be paid out over the next five years. To put this landmark in perspective, we were the only rural district in the entire country to receive this award this year! The funds will enable us to expand our curricular offerings, improve our faculty development programs and increase the degree of choice students have in selecting courses throughout the Cheshire County. This accomplishment, coupled with our stellar financial performance, has put our District on the threshold of becoming the "cutting edge" District that other districts throughout the state and region will use as their public education model.

The final highlight of the year is the Board's decision to offer our constituents the opportunity to vote for and approve a new high school. This is a long-overdue decision, and one that comes at a uniquely opportune time.

This school is, first of all, sorely needed. The existing situation is untenable as the Sr-Jr High School is woefully overcrowded – to the point where educational opportunity has become compromised and our kids' ability to get an optimum education is increasingly degraded – as our own Dan Stockwell, the school principal, will attest. A good example is that 7<sup>th</sup> and 8<sup>th</sup> graders only receive 9 weeks of physical education per year since the facilities are used to over-capacity. Without citing the hundreds of justifications for a new school, suffice it to say that we need this school. If we approve it, the architects – that we have already chosen – can open the doors in the Fall of 2005. At this point, we will also effectively gain a new middle school in the existing facility for 6-9<sup>th</sup> graders. We as a Board and Administrative Team urge all voters to step into the future and vote for this new high school. The essential tax impacts follow below.

#### **Financial Benchmarks**

## I. Operating Budget

The proposed operating budget for the upcoming year is \$26,229,120. This is about \$960,000 over the '03-'04 default budget, or an increase of 3.8%. (If the proposed budget is defeated in Article 2 on March 11, the default budget becomes our operating budget by law. The bulk of the increase represents salary and wage increases for teachers and support staff, which were deferred due to the aforementioned deficit.

## II. Capital Expenditures

Due to the new high school proposals, new warrants for capital improvements to existing facilities address deferred and code-related repairs. Requested funds here are already in our capital reserve accounts and they will not affect your taxes.

## III. New High School

### Capital Costs

The projected total principal cost of the new high school is \$28 million. This cost includes all interior furnishings, fixtures, equipment and supplies needed to open the doors to students. Of this amount, the State pays 55% of the principal, or \$15,400,000. Thus, we pay \$12,600,000 and the interest on the bond.

Your tax impact on the bond is, on the average over 20 years, equal to \$1.70 per \$1,000 of valuation. Thus, for example, if you own a \$150,000 home, your average impact is  $\$1.70 \times 150 = \$255$  per year. In the initial years the impact is higher. Assuming a \$100,000 home, the annual bond costs would be:

Year One	Year Two	Year 3	Year 4	Year 5
0	\$248	\$240	\$232	\$224

### New Operating Costs

The projected new operating costs are for additional staffing (nurses, custodial, administrative). These costs are estimated to be about \$1.00 / 1,000 valuation average over the first three years of operation. For each year the projection is, for a \$100,000 home:

Year One	Year Two	Year 3	Year 4	Year 5
0	0	\$.95	\$1.00	\$1.14
(construction phases)				

### Total Costs

The new high school will thus have the following annual tax impact for a 100,000 home in Roxbury:

Year One	Year Two	Year 3	Year 4	Year 5
0	\$248	\$335	\$332	\$338

#### **IV. Looking Forward**

There is no more challenging and potentially rewarding year than the year 2003 – 2004 we now face. We as a cooperative school district have proven our new resolve to be educational leaders who can and will give our kids the highest quality education that they deserve.

Given our recent successes and the prospect of a new regional high school, we as parents and citizens of Roxbury can make the pivotal difference in assuring that our kids get a superior education as they have in the past. Let's be proud of what we've done, and let's commit to what we can do in this upcoming, critical year.

Respectfully submitted,

Stephen Mettling

The Roxbury Scholarship Fund was organized in 1994 for the purpose of acknowledging Roxbury's graduating students. The fund's long-term goal is to establish a permanent reserve scholarship fund. The continuations of these goals are dependent upon \$10.00 per person membership dues and additional donations to become an outstanding supporter.

An award is presented on behalf of all the citizens to each of Roxbury's graduating seniors at the annual "***Monadnock Regional High School Senior Awards Event***" Anyone wishing to attend and/or make the presentation (or join the committee) should contact a committee member by June 1, 2002

This is to certify that I have examined the books for the Town of Roxbury for the year ending December 31, 2002

I have examined the books and records of the Town Clerk, Town Treasurer, Tax Collector, Selectman and Trustees of Trust Funds. I find that the books and records of the Town reflect its true financial condition, to the best of my knowledge and belief.

I would like to thank all of the town officials, especially Mr Chip Drogue, who have worked very hard all year long. This audit took the efforts of all of us to bring about a satisfactory result. It is very encouraging to work with a group of dedicated and caring people of Roxbury.

**REPORT OF THE FIRE CHIEF**

The year 2002 was a very busy year. There were several home inspections, fires and inspections for fire permits.

Deputy Warden Timothy Mason and myself attended training sessions offered by the State and also by local fire companies. This training has helped us to keep up our firefighting skills and also learn new techniques. We have also been attending the monthly Forest Fire Warden's dinners where we also kept abreast of the many changes taking place at the State level.

I want to thank all of the people for their continue support in keeping our Town safe from the hazards of fire.

**Reminder: All outside fires require a fire permit when there is not complete snow cover.**

Please call myself at 876-4687 or Tim at 352-8843 to obtain a permit or if you have any questions.

## Report of Forest Fire Warden and State Forest Ranger

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests and Lands cooperate and coordinate to reduce the risk of wildland fires in New Hampshire. To help us assist you, contact your local Forest Fire Warden or Fire Department to find out if a permit is required before doing ALL outside burning. Fire permits are mandatory for all outside burning unless the ground where the burning is to be done (and surrounding areas) is completely covered with snow. Violations of RSA 227-L:17, the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines up to \$2,000 and/or a year in jail, plus suppression cost.

A new law effective January 1, 2003 prohibits residential trash burning (RSA 125-N). Contact New Hampshire Department of Environmental Services at (800) 498-6868 or [www.des.state.nh.us](http://www.des.state.nh.us) for more information

Help us to protect you and our forest resources. Most New Hampshire wildfires are human caused. Homeowners can help protect their homes by maintaining adequate green space around the house and make sure that the house number is correct and visible. Contact your fire department or the New Hampshire Division of Forests and Lands at [www.nhdfi.org](http://www.nhdfi.org) or 271-2217 for wildland fire safety information.

## **Report of the Roxbury Road Agent.**

Last year's major road project was the Middle Town Road. Extensive ditch work was the first phase of the project. Next came cleaning and sweeping the surface of the road. Hot mix was placed with the grader to shim the road. A heavy vibrating roller was used to compact the hot mix. Later asphalt was sprayed on the road and sanded down.

Regular maintenance was preformed, all dirt roads were graded, ditches and culverts were cleaned. Tar roads were patched, brush and dead trees were cut. These were all summer projects.

Again we should thank Bill Coutts for the fine job he and his men have done and are doing plowing and sanding the roads during the winter months.

Summer Roads \$38145.04

Winter Roads \$19159.04

\$57304.08

All work was accomplished without using any money from the Capital Reserve Fund.

# ROXBURY POLICE DEPARTMENT

## TOWN REPORT FOR 2002

The Roxbury Police Department had a very exciting and busy year. Normal patrolling was done off and on, as problems arose, but due to a federal grant special patrols took place from the end of July to the first of December. During this special patrol, emphasis was given to Babbage Dam, Otter Brook Dam, Woodward Pond, Class six roads and Branch Road. It takes a lot of planning to try to give the best police coverage for the budget that is past at town meeting and the extra funds came in handy for needed patrols. Investigation time, court time and administration time were up slightly and normal patrol time was about average, compared to last year. Automotive complaints and Animal complaints seem to be on the increase. Again I would request that if you see something suspicious to report it right away, as it may help us with something we are already working on. We are not on patrol on a full time basis, so it's hard to know if there is a problem in your area, unless you report it.

### CHANGE OF OFFICERS

After 20 years of service with the Roxbury Police Department, Neil Collier, has retired. Neil has done an outstanding job running and updating the police department over the past years and has been a great help to me with my new responsibilities as police chief. What I have noticed is that Roxbury appears to be a nice quiet bedroom community, nestled in the hills outside of Keene, with what appears to have a natural community watch program. That is neighbors watching out for their neighbors and reporting any crimes they observe to the police. I want to thank all the towns' people, especially the selectmen, town clerk, treasurer and fire chief, for their patience's, guidance and support during my first year as chief. I hope to get to know all of the town's people better during the next year. For those people who do not know me, my name is Gary LaFreniere. I have had experience working in several small towns during my career, as a New Hampshire Certified Part-Time Police Officer.

Chief Gary LaFreniere serving since November 2001  
Sergeant Roger Turcotte serving since October 1996  
Officer Jeremy Yeglinske serving since May 2002  
Animal Control Officer Tracey Collier serving since March 1993

The Roxbury Police Officers work different shifts, which allow more coverage day and night to handle calls. To contact an officer: **call 911 for emergencies or 352-1291 for non-emergencies.** By calling these numbers you will connect to the dispatch center, which has capabilities of paging the officers, as well as, calling them on the phone or radio.

## **CRUSIER**

For those of you that have not heard, we have a new cruiser, a 1999 ford explorer. This vehicle was received by the generous donation from David ford of Keene. This vehicle cost \$27,500. Half the cost was donated by David ford, \$5000 was in capital reserve. The town appropriated about \$4000. This vehicle now is in full service, but is still being set up for proper police patrols. A new state digital 2 way radio was installed, by a grant from the state (no cost to town). A cage between the front and rear seat was installed for officer's safety and another one for the rear seat is now being installed. The old blue lights were taken off the truck and placed on the new cruiser, along with the siren unit. A problem has a rose with the blue lights and they were replaced early this year. Due to the increased activity with the cruiser, the siren-switching unit has shorted out and is in the process of being replaced. Once again this vehicle is a much needed vehicle, as it has 4 wheel drive and allows us to answer complaints in bad weather, especially to those residences that have burglar alarms in summer homes where the driveways are not plowed. As well as accidents on the hilly areas of town.

## **EQUIPMENT**

Listed is new equipment that was purchased for the Police department during the past year.

- (3) Three Glock (Model 22) 40-caliber pistols for the town officers-police specials.
- (1) One Tactical Rifle (Bushmaster A-3) 223 caliber for the town cruiser.
- (1) Artic Cat 400 4 x 4 ATV (automatic) with winch.
- (1) Aluminum ATV trailer
- (1) Asseseries and ammo for the police weapons
- (3) Class B uniform hats and polo shirts for summer patrol & calls
- (1) Wire Security cage

## CLOSING

I would like to take a minute and provide you with a little insight about the new equipment and direction of the police department. As all of you are aware, the United States of America has encountered one the worst tragedies in its history. The terrorist attacks on the innocent people of this great country cannot be tolerated and law enforcement is on the front line of defense on the local level. A great deal of changes will occur during the next few years, for all of us, which will directly affect the police. We will do our best to keep up with the changes and the towns needs, so please bare with us because your assistance and cooperation will be appreciated and needed.

One of the big changes is the dispatch center. The sheriff's department will be taking over the local police dispatch, in an effort to improve police communications in Cheshire County. This change will mean that all of the town's existing mobile and portable radios may be extinct, except for the cruiser. The new radio system will be a digital radio communication system, which means; only digital radios will operate on the system. In the near future new portable radios will have to be obtained, to insure officer safety and increase police communication efficiency. The police dispatch telephone number may also change.

During the last years budget committee's public hearing, I realized that there was a great deal support for the police department to upgrade its inventory and purchase town owned weapons for police work. In doing so, I organized a federal grant through the US Attorney's office, which was made available by the Department of Justice. This is a four-part grant that recognizes a potential problem, develops a solution, and arranges the means to correct or enforce it and then implement it.

Part 1: Purchase transportation to patrol and protect Class six roads, Federal Dam & Keene/Roxbury Water supply.

Part 2: Supply communications for officers (purchase 3 portable radios) **DENIED**

Part 3: Supply police department weapons.

Part 4: Supply reimbursable patrol money.

As you can see the entire grant was supported by the Attorney Generals Office, except the communications part. New radios are being disseminated by the State Police, through the Sheriffs department, and for that reason it was denied. The Town of Roxbury Police have requested three (3) digital portable radios from the Sheriffs Department, with a suggestion that we may be in line for two (2), according to the Sheriff.

I would again like to thank all the towns' people for their continuing support of the Police Department. The Department is in good standing and is in compliance with all state standards of the State of New Hampshire at this time.

## PISTOL PERMITS

Pistol permits applications may be picked up at the Roxbury police department or the selectmen's office on Monday nights from 7 to 9 PM. The cost of the permit is \$10.00 for (4) Four years. Please allow 14 days for processing.

**Article 15:** To see if the Town will vote to authorize the Selectmen to **borrow money** in anticipation of taxes and will vote to raise the sum of **\$2,000.00** for interest expense. Motion carried.

**Article 16:** To see if the Town will vote to raise and appropriate the sum of **\$100.00** for the **contingency fund**. Motion carried.

**Article 17:** To see if the Town will vote to raise and appropriate the sum of **\$400.00** as the Town's planning expenses and its share of expenses for the operation of **The Southwestern New Hampshire Planning Commission**. These funds may be used for

financing the staff, operation expenses, planning, studies, technical assistance and other programs of the commission. These funds may be used in conjunction with other State and Federal Funds available for planning purposes. Motion carried.

**Article 18:** To see if the Town will vote to raise and appropriate the sum of **\$5,000.00** to be added to the **Road Capitol Reserve Fund** previously established. Motion carried.

**Article 19:** To see if the Town will vote to raise and appropriate the sum of **\$1,000.00** to be added to the **Capital Reserve Fund** for the Town Police Cruiser previously established. Motion carried.

**Article 20:** To see if the Town will vote to raise and appropriate the sum of **\$3,000.00** for the initial **building improvements** to the Town's Meeting Hall and Offices.  
This article was amended to read: To see if the Town will vote to raise and appropriate the sum of **\$3,000.00** for the **Building improvements** to the Town's Meeting Hall and Offices. Motion carried as amended.

**Article 21:** To see if the Town will vote to raise and appropriate the sum of **\$5,000.00** to be added to the **Capital Reserve Fund** for future **reevaluation** as previously established. Motion carried. Selectmen's comment: State Law requires a reevaluation every five years.

**Article 22:** To see if the Town will vote to raise and appropriate the sum of **\$7,000.00** to be added to the already established **Road Improvement Capitol Reserve Fund**. This sum is to come from the fund balance (surplus) and no amount is to be raised from taxation. Motion carried.

**Article 23:** To see if the Town will vote to raise and appropriate the sum of **\$6,900.00** for **repairs to the foundation of the Town Hall**. These monies will come from a settlement with Peerless Insurance Co. and the balance from the building Improvement Fund. Motion carried.

**Article 24:** To see if the Town will vote to raise and appropriate the sum of **\$3,700.00** for the construction of a Basketball court in the Town Hall Parking lot. **\$2,500.00** of the cost will be provided by a grant from **The Cheshire County Youth Betterment Program**. Motion carried. There was a lot of support and enthusiasm for this and the Townspeople further asked the Selectmen to look into the feasibility of a full court.

**Article 25:** To see if the Town will vote to raise and appropriate the sum of **\$5,000.00** to establish a **Capitol Reserve Fund for a new Tax Map**. This article was amended to read: To see if the Town will vote to raise and appropriate the sum of **\$5,000.00** to establish a **Capitol Reserve Fund for a New Tax Map** and appoint the Selectmen as Agents. Article passed as amended.

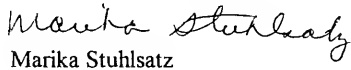

**Article 26:** To transact any other business which may come before the said meeting.

Selectmen on behalf of the Town thanked Jim McNeill for his years of service as Selectman.

Townspeople again enjoyed a delicious Potluck Supper before the meeting.

Meeting adjourned at 9:45 p.m.

Respectfully submitted,

  
Marika Stuhlsatz

18. To see if the Town will vote to authorize the selectmen to **borrow money** in anticipation of taxes and will vote to raise the sum of **\$2,000.00** for interest expense. Motion carried.
19. To see if the Town will vote to raise and appropriate the sum of **\$100.00** for a **contingency fund**. Motion carried.
20. To see if the Town will vote to raise and appropriate the sum of **\$400.00** as the Town's planning expenses and its share of expenses for the operation of **The Southwestern New Hampshire Planning Commission**. These funds may be used for financing the staff, operation expenses, planning, studies, technical assistance and other programs of the

commission. These funds may be used in conjunction with other State and Federal Funds available for planning purposes. Motion carried.

21. To see if the Town will vote to raise and appropriate the sum of **\$5,000.00** to be added to the **Road Improvement Capital Reserve Fund** previously established. Motion carried.  
Discussion: The remaining third of the Davis Road will be completed.
22. To see if the Town will vote to raise and appropriate the sum of **\$1,500.00** to be added to the **Capital Reserve Fund** for the Town Police Cruiser previously established. Motion carried.
23. To see if the Town will vote to raise and appropriate the sum of **\$3,000.00** for the initial **building improvements** to the Town's Meeting Hall and Offices. Motion carried.  
Discussion: Future improvements: Downstairs back door should open out.
24. To see if the Town will vote to raise and appropriate the sum of **\$5,000.00** to be added to the **Capital Reserve Fund** for future **reevaluation** as previously established. Motion carried.
25. To see if the Town will vote to raise and appropriate the sum of **\$7,700.00** to be added to the already established **Road Improvement Capitol Reserve Fund**. This sum is to come from fund balance (surplus) and no amount is to be raised from taxation. Motion carried.

27. To see if the Town will vote to raise and appropriate the sum of **\$20,000.00** for a **complete revaluation** and authorize the withdrawal of \$20,000.00 from the Capitol Reserve Fund established for this purpose. Motion carried.
28. To see if the Town will vote to raise and appropriate the sum of **\$36,020.00** for the purpose of **paving 2550 by 25 ft wide of Davis Road**. Adjacent to Otter Brook Dam Preservation. \$18,970.00 of the amount will come from Road Improvement Capitol Fund and the balance of \$17,050.00 shall come from the funds voted for regular maintenance. Motion carried.
29. To see if the Town will vote a **disabled exemption** for taxes of \$10,000.00 under the provisions or R.S.A. 72:37-B that subject to an income limit of \$15,000.00 per year if single and \$30,000.00 yearly if married, and is not in possession of \$40,000.00 in assets excluding the value of any residential real-estate. Article was amended to read: To see if the Town will vote a **disabled exemption** to reduce property valuation by \$10,000.00 for tax purpose under the provisions of R.S.A. 72:37-B that subject to an income limit of \$15,000.00 per year if single and \$30,000.00 yearly if married, and is not in possession of \$40,000.00 in assets excluding the value of any residential real-estate. Article passed as amended.

30. To transact any other business which may come before the said meeting.

Health Officer Glen White advised us to pay attention and eliminate any standing water which could serve as a breeding area for mosquitoes carrying the West Nile Virus.

Dick Donohue was recognized for his many years of service to the Town as Fire Chief and Forest Fire Warden.

And also Glen White was recognized for his many years of service to the Town as Selectman and School Board member.

On a separate paper ballot townspeople voted to adopt the following ordinance: Do you Choose to adopt as part of the Laws of the Town of Roxbury the ordinance proposed by the Planning Board of the Town of Roxbury regulating the construction of **Cell Phone Towers** and other towers and other associated structures. This ordinance is called the **Town of Roxbury Telecommunication Facilities Ordinance**. The ordinance passed by a majority of 37 to 12.

Meeting adjourned at 9:45 PM.

Townspeople again enjoyed a delicious pot-luck before the meeting.

Respectfully submitted,

Marika Stuhlsatz
